

30th Annual Fiesta Biathlon

Benefiting

Dear Potential Sponsors and Donors:

May 1, 2016 The Tricredibles, triathlon club in Greenville, NC, will be hosting the Fiesta Biathlon in conjunction with The Bicycle Post of Greenville, NC. This will be the 30th year that we have had the 5K run and 14 mile bike road race. Each year, the money raised goes towards a charitable program. The proceeds for 2016 will be used again to help The Friends of Greenville Greenways, FROGGS. They are dedicated to contributing to the revitalization of downtown Greenville (NC); provide additional recreational and fitness options within the city; create safe, alternative routes for pedestrians and bicyclists; preserve open spaces, green spaces and critical wildlife habitat; enhance water quality protection; and provide endless educational opportunities. Currently the Greenway has about five miles of paved trail allowing bikers, walkers and runners to enjoy daily. They are in the mist of expanding the trail another 1.4 miles. (www.froggs.org)

Unfortunately, there are expenses that required for a well run race. Therefore, we are asking that you consider partnering with us via one of the following levels: Beans & Rice, Taco, Burrito Especial, or Nachos Grande. The amounts next to each level corresponds to the cost of a GPD Cop Car, GPD Cop for three hours and a sheriff for three hours. The law enforcement officers are needed in order to meet the cities requirements and to keep all athletes safe. In order to have the race, we will need the following: six cops, six cop cars, and four sheriffs. If you are not able to contribute, but would like to make a donation to The Friends of Greenville Greenways, this is still greatly appreciated since all of us visit the Greenways frequently.

Thank you for your time and consideration.

30th Annual Fiesta Biathlon
